

Home Affordable Modification Program

A Turn-Key Document Solution for Loan Servicers

The Home Affordable Modification Program (HAMP) is designed to help financially struggling homeowners avoid foreclosure by modifying loans to a level that is affordable for borrowers now and sustainable over the long term.

Your Challenge

Effectively identify eligible borrowers and enable them to take advantage of the program's government-backed incentives.

The Solution

Our HAMP solution simplifies the borrower's application experience and eliminates time-consuming, resource-intensive processes for lenders.

Key Features:

- Turn-key 360° process
- Bound booklet with perforated pages for ease of removal and submission
- Includes duplicate set of documents for borrower retention
- Mailed in supplied 9" x 12" envelope and includes Business Reply Envelope
